Terms Used

Applicant: A person applying for a grant, who on completion of the eligible transaction, will own or hold a relevant interest in the land on which the home is built. All interested persons must be applicants — an interested person is a person who is, or will be on completion of the eligible transaction, an owner of the home.

Approved agent: Financial organisations, approved by the ACT Revenue Office, to accept and process applications for the grant. An Approved agent is not authorised by the ACT Revenue Office to offer any advice or assistance on the conditions of eligibility for the grant or on the completion of the application for the grant.

Cap: The amount of the first home owner grant cap is \$750,000; or if another amount is prescribed by regulation—the prescribed amount.

Commissioner: Commissioner for ACT Revenue.

Completion date of eligible transaction:

- (a) For a contract to purchase a new, substantially renovated or off the plan home— when the purchaser becomes entitled to possession of the home and, if required to obtain registered title to the property, when the necessary steps to obtain registration of the purchaser’s title have been taken.
- (b) For a contract to build or an owner builder – when a Certificate of Occupancy is issued.

Contract to build: A comprehensive building contract where a builder agrees to build a complete home, from the time the building starts to when it is finished and is ready for occupation, and includes any further contract to complete work not otherwise completed for any reason.

Consideration: The purchase price or cost of construction of the home.

Eligible transaction: An eligible transaction is:

- (a) A contract for the purchase of a new home in the ACT made between 1 September 2013 and 31 December 2015; or
- (b) A comprehensive home building contract made between 1 September 2013 and 31 December 2015 by the owner of land in the ACT, or a person who will on completion of the contract be the owner of land in the ACT, to have a new home built on the land; or
- (c) The building of a new home in the ACT by an owner-builder if the building work begins between 1 September 2013 and 31 December 2015.

Home: A building, affixed to land, that may be lawfully used as a place of residence and that the Commissioner is satisfied is a suitable building for use as a place of residence.

Individual: A natural person

Related or associated party: A person is related or associated with another party when:

- one is the partner of the other; or
- they are related by blood, marriage or adoption; or
- they are a shareholder/director of the other party, being a company; or
- they are a beneficiary of a trust for which the other party is a trustee; or
- the transaction is otherwise not at arm’s length.

Relevant interest: A person with a relevant interest may be described as the person who will have a legal entitlement to occupy the home being bought or constructed. Usually this will be the person(s) registered as proprietor on the title (generally a leasehold interest in the land granted by the Commonwealth). Each person acquiring a relevant interest must be listed as an applicant on the application form.

New home: A home that has not been previously occupied or sold as a place of residence and includes a substantially renovated home.

Notifiable event: An event that occurs when any part of the eligibility criteria is not met. Applicants are required by law to notify the Commissioner in writing and repay the grant within 14 days of becoming aware of a notifiable event. Examples: applicant cannot satisfy the residence requirement, or grant has been paid to an owner builder in anticipation the total value will not exceed the cap but the total value when completed, does exceed the cap.

Off the plan purchase agreement: An agreement for the sale or transfer of dutiable property that is, or includes, land where a residence is to be erected or developed before completion of the sale or transfer.

Owner: A person who has a relevant interest in land on which a home is built.

Owner builder: An owner of land who builds a home or has a home built, on the land without entering into a comprehensive home building contract.

Partner of Applicant: A person is the partner of the applicant if the person is the applicant’s domestic partner. (See *Legislation Act 2001*, s 169 for the meaning of domestic partner).

Permanent resident: A person who holds a permanent residency visa under s 30 of the *Migration Act 1958* (Cth) or a New Zealand citizen who holds a special category visa under s 32 of the *Migration Act 1958*.

Principal place of residence: The home you primarily reside in. The most important characteristic of a principal place of residence is that the person is living in the residence on an ongoing and permanent basis as the person’s settled or usual home. When the occupation is transient, temporary or of a passing nature, or the occupation is for some other purpose, this is not sufficient to establish occupation as a principal place of residence.

Residential property: Land in Australia is residential property at a particular time if there is, at that time, a building on the land lawfully occupied as a place of residence or suitable for occupation as a place of residence.

Shared equity finance arrangement

A finance arrangement between an **applicant** and a **shared equity partner**.

Shared equity partner: A financial institution or an entity declared as a provider of community housing under s 73A of the *Duties Act 1999*. A **shared equity partner** is excluded from the requirement to be an **applicant** to the grant provided that, on completion of the transfer of the property to which the application relates, the **shared equity partner** will have an interest of 50 per cent or less in the property.

Substantially renovated home: A home that has substantial renovations; and as renovated, has not been previously occupied or sold as a place residence.

Substantial renovations: of a home, means renovations in which all, or a substantial part, or the home is removed or replaced. Eg. Removal or replacement of foundations, external walls, interior supporting walls, floors, roof or staircases.

Terms contract: A contract for the sale of land where the purchaser has to make 2 or more payments (excluding the deposit) to the vendor after the contract is signed by all parties. Generally, the purchaser will be in possession of the land under the contract but cannot be registered on the title until the final payment is made to the vendor.

Unencumbered value: The value of a home or relevant interest in land without regard to any encumbrance e.g. mortgage. The Commissioner will disregard any scheme or arrangement where the main purpose is to reduce the value of the home or interest.

See the *First Home Owner Grant Act 2000* for full definition of unencumbered value.

Valuer: A certified practising valuer who is a member of the Australian Property Institute or a person the Commissioner considers suitably qualified.

Value of relevant interest in the land: Greater of the consideration paid or payable for the interest and unencumbered value of the interest.
